

## Financial Policy

- Thank-you for choosing us! Our primary mission is to deliver the best dental care available. An important part of our mission is making the cost of optimal care as easy and manageable as possible by offering several payment options.
- It is our office policy to ask patients to pay **40% of the total fee** as a down-payment at the time the initial procedure is scheduled. The balance of the fee is to be paid by the date of the insertion.
- We offer a **10% courtesy adjustment** to patients who pay for their ENTIRE prescribed treatment plan at their FIRST visit or day of starting the treatment. *This does not work in conjunction with In-House Financing and does not apply to "same day" services.*
- We offer the following payment options:
  - 1) Cash or Debit
  - 2) Personal Cheque
  - 3) E - transfer
  - 4) VISA or MasterCard
  - 5) In-House Financing (5% fee if under 6 months or 10% fee if over 6 months)
- For patients with dental insurance - we are happy to work with your carriers to maximize your benefits. As a courtesy, we will mail the necessary forms to your insurance company to expedite the reimbursement. **A minimum of 20% down-payment is required** at the time the initial procedure is scheduled.
- A fee of \$45.00 will be applied for NSF cheques.

If you have any questions, please do not hesitate to ask. We are here to help you get the treatment and care you need and want.
