

Payment Policy

1. Payment is expected and due at the conclusion of each clinic visit.
2. Patients requiring a multi-appointment treatment are asked to pay **40% of the total fee** on the day of the first appointment.
3. **The balance of the fee is to be paid by the date of the denture delivery.**

We accept various payment methods: all major credit cards, debit cards, cheques and e-transfers.

We also offer an In-House Financing option (one time 5% fee if under 6 months or 10% fee 6–12 months)

SAVE – We offer a 5% accounting courtesy adjustment to patients who pay for their **ENTIRE** prescribed treatment plan at their **FIRST** visit or day of starting the treatment.

This does not apply to same-day services, patients covered under CDCP, or patients using in-house financing.

Patients with DENTAL INSURANCE – We are happy to work with your carrier to maximize your benefits.

We will submit your claim to the insurance company to expedite reimbursement. However, it is your responsibility to ensure coverage for the services you require. Patients are responsible for any unpaid balance not covered by insurance, as per your individual agreement with your provider.

A minimum 20% down payment is required at the time the initial procedure is scheduled.

CDCP patients – We require payment for upgraded services **ONLY**. 50% of the total fee is to be paid at the start of the treatment, with the balance due at the time of denture delivery.

NOTE: A 2% service charge per month (24% annually) will apply to ALL overdue accounts.
A \$45.00 fee will apply to NSF cheques.

I have read and understand the Waterdown Denture Clinic payment policy.
